

Living the legacy comes naturally to many contestants here at the National High School Finals Rodeo in Gillette, WY. LaRae Luis of Paso Robles, CA, is a six-event all-around cowgirl who made it here to nationals in reined cow horse, an event that is being offered for the second year at the NHSRA. Her dad, cow horse trainer Mark Luis, is here supporting his daughter who, as a homeschool student, spent her formative years in the saddle alongside her dad until deciding she wanted to try her hand at competition this year. Mark fondly recalls his days as a competitor at the NHSFR in 1985 and 1986 when it was held in Rapid City, SD, and it is easy to see his delight that LaRae is following in his footsteps. Western Horseman is a proud supporter of the NHSRA and the students who live the legacy everyday. **#livethelegacy**
